Chapter 1 Introduction

Recently a cat appears in NTU as shown in Figure 1.1. This is English line spacing test. You should see double spacing text. This is English line spacing test. You should see double spacing text. This is English line spacing test. You should see double spacing text.

Figure 1.1: A cat.

As [1] pointed out, there were many videos [1].

Chapter 3 Methods

Our method is described in Algorithm 1.

Algorithm 1 A Very Good Algorithm

Require: I : Something;

Ensure: O : Something else;

1: $S \leftarrow []$

▷ Initialize S

2: **for all** Item i **in** I **do**

3: $S \leftarrow []$

▷ Another comment

4: **end for**

5: **return** O

Chapter 4 Experiments

There is a tree in Figure 4.1. This is English line spacing test. You should see double spacing text. This is English line spacing test. You should see double spacing text. This is English line spacing test. You should see double spacing text.

There is a barchart in Figure 4.2. This is English line spacing test. You should see double spacing text. This is English line spacing test. You should see double spacing text. This is English line spacing test. You should see double spacing text.

Our method outperforms state-of-art systems as shown in Table 4.1. This is English line spacing test. You should see double spacing text. This is English line spacing test. You should see double spacing text. This is English line spacing test. You should see double spacing text.
